# WELCOME ...

... to Eastnor Castle, Arboretum and Deer Park. We look forward to seeing all visitors and their dogs and have arranged a varied programme to add fun and variety to your visit.

We have added to the display this year by returning the lion's head to the Great Hall and adding a Russian bear skin in the Little Library. On a smaller scale, we have bought three Swansea plates showing the castle soon after it was built, part of a series of local views commissioned for the Cocks & Biddulph Bank with which our family was connected 200 years ago. We continue to restock the arboretum with English and exotic trees, including the rare Montezuma pine from Mexico, planted near the summer house.

The house is busy with weddings and corporate guests, especially Land Rover's. We are thrilled that Succession, filmed here in 2020, has recently won more Golden Globe and Emmy Awards. The Woodshed coffee shop, open every day except Christmas Day, will soon have a new play area and is drawing many visitors into the Park on their way to the Malvern Hills.

We hope you enjoy visiting Eastnor and will keep coming back.
